Darlene, the Zuni Police Department is a PL93-638 contracted department. As such we have adopted and follow the BIA OJS Law Enforcement Handbook, 3rd Edition. This SOP manual is generally updated annually by BIA with revisions/editions forwarded to all direct service and contract programs. We provide training to our officers upon initial hire, then at least twice a year during our semi-annual firearms requalification training. A copy of the manual may be obtained from Special Agent in Charge William McClure or his designee at the BIA OJS District IV office in Albuquerque.

Thank you Chief Trimble. I believe I received a copy of it from another BIA agency. I do have requests in to BIA for both the Northern and Southern Pueblos. Have a great day and be safe.
